NEWS

FROM THE T.S.A.

MICHAEL THE TAILOR SUMMER CUP - 1983

Appreciation and thanks go to MICHAEL THE TAILOR for his continued support of this competition.

The eventual winners being -

Rothmans League competition	-	Phoenix	3
		Kingborough	0
Cadbury League competition	-	Croatia	4
		Olympia	2

Winners of the leading goalscorer awards for the respective competitions were -

Rothmans League competition - Michael Walker (Phoenix)
Alistair Hales (Phoenix)
Tony Trivett (Kingborough)
Robert New (Howrah)
(all scored 4 goals each)

Each player will receive an open order to the value of $25.00 from Michael Tailor.

Cadbury League competition - Bruce Ward (Juventus) (6 goals)

Bruce will receive an open order for $100.00 from Michael Tailor.

Congratulations to all winners and thanks to all who took part.

This weekend sees the start of roster competitions in all leagues from Under 13 through to the Cadbury League.

The Primary Soccer Association also kicked off with a total approaching 2500 boys rostered in the Under 8 to Under 12 groups. An interesting point is that the Southern Primary have invited entries for an Under 12 competition and this has resulted in over 20 teams nominating.

For those interested the Secondary Schools rosters will commence on May 7th.
Copies of rosters for Under 13 upwards can be obtained from the T.S.A. office, 42 Darcy Street, South Hobart.

It is unfortunate to have to report that news from clubs is once again very slow in coming forward - this SOCCER '83 NEWS is being produced free of charge and as a service to ALL clubs, supporters etc so why not help the Association and find a little time to let people know what is taking place.

STATEWIDE KNOCK-OUT CUP 1983-

A total of 25 entries have been received and the draw will be made on Monday, April 11th - details next weeks SOCCER '83 NEWS.

CLUB NEWS

JUVENTUS

Pioneer Juventus are in danger of earning the reputation of soccers Collingwood - winners everywhere, except in important matches.

Last year the senior team was runner-up in four competitions after looking favourites for a clean sweep. Last weekend they lost the semi-final of the Michael the Tailor cup to old rivals Croatia after running themselves to a standstill in the first half.

Coach Peter Brine was not very happy with the exhibition of individual prowess and the distinct absence of cohesive teamwork. Juventus supporters need not worry, Peter is still working his team into system and rhythm. He is confident everything will click into gear in the Cadbury League matches

Unfortunately crack goalkeeper Steve Craven injured his ankle in the game last weekend and could miss the first roster match His coolness, confidence and judgement adds so much strength to Juventus.

On other fronts of the club committeeman Nick Latanzio has been smiling a lot lately - his girls team, which had a bad season last year, is on a winning streak; three wins and a draw in four matches. If they turn up trumps this season it will be a real bonus for Nick, one of the hardest working members of the Juventus club.

And here are a couple of addities...skipper Nick Lapolla is superstitious. He won't shave on the day before a match. That five o'clock shadow doesn't look too good on the dapper little skipper!!!

Meanwhile big Steve Craven has done a soccer version of cricketer Jeff Thompson's bleached hair. Steve's usually long and lank hair has developed a crop of curls - he's now called "Shirl".

Bruce Ward, not to be outdone, has had his naturally curly mop thinned out. His opponeents can now see the whites of his eyes when he is glaring at them.

REFEREE'S VIEWPOINT

LAW THIRTEEN

FREE-KICK

Free-kicks shall be classified under two heads: 'Direct' (from which a goal can be scored direct against the offending side), and 'Indirect' (from which a goal cannot be scored unless the ball has been played or touched by a player other than the kicker before passing through the goal).

When a player is taking a direct or an indirect free-kick inside his own penalty-area, all of the opposing players shall be at least 10 yards (9.15m) from the ball and shall remain outside the penalty-area until the ball has been kicked out of the area. The ball shall be in play immediately it has travelled the distance of its own circumference and is beyond the penalty-area. The goalkeeper shall not receive the ball into his hands, in order that he may thereafter kick it into play. If the ball is not kicked direct into play, beyond the penalty-area, the kick shall be retaken.

When a player is taking a direct or an indirect free-kick outside his own penalty-area, all of the opposing players shall be at least ten yards from the ball, until it is in play, unless they are standing on their own goal-line, between the goal-posts. The ball shall be in play when it has travelled the distance of its own circumference.

If a player of the opposing side encroaches into the penalty-area, or within ten yards of the ball, as the case may be, before a free-kick is taken, the Referee shall delay the taking of the kick, until the Law is complied with.

The ball must be stationary when a free-kick is taken, and the kicker shall not play the ball a second time, until it has been touched or played by another player.

Notwithstanding any other reference in these Laws to the point from which a free-kick is to be taken, any free-kick awarded to the defending side, within its own goal-area, may be taken from any point within that half of the goal-area in which the free-kick has been awarded.

Punishment

If the kicker after taking the free-kick, plays the ball a second time before it has been touched or played by another player an indirect free-kick shall be taken by a player of the opposing team from the spot where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

INTERNATIONAL BOARD DECISIONS

1. In order to distinguish between a direct and an indirect free-kick, the referee, when he awards an indirect free-kick, shall indicate accordingly by raising an arm above his head. He shall keep his arm in that position until the kick has been taken and retain the signal until the ball has been played or touched by another player or goes out of play.

2. Players who do not retire to the proper distance when a free-kick is taken must be cautioned and on any repetition be ordered off. It is particularly requested of Referees that attempts to delay the taking of a free-kick by encroaching should be treated as serious misconduct.

3. If, when a free-kick is being taken, any of the players dance about or gesticulate in a way calculated to distract their opponents, it shall be deemed ungentlemanly conduct for which the offender(s) shall be cautioned.

T.S.A. UNDER 15 SQUAD-

During the Easter weekend the T.S.A. Under 15 squad under Coach Karl Pless and Team Manager John Grundy took part in a Youth Carnival at Prospect, Launceston.

The Hobart boys easily accounted for Cooma (N.S.W.) and Brighton (Victoria) to enter the final on Easter Monday against the Northern (Tasmania) select XI under Coach Jock Glass.

The Hobart squad excelled in their performance against their Northern rivals and ran out comfortable winners by 3-1.

Congratulations go to the boys for their effort and to Coach Karl Pless for the time he has devoted to the squad.

****

FUTURE UNDER AGE CARNIVALS

The newly established Tasmanian Junior Soccer Council, a branch of the State Federation, hope to arrange further Carnivals later this year in the Under 13, 14 & 15 age groups.

The 1983 Primary Soccer Carnival will be held in Launceston over the June longweekend.

FIRST AID

HAEMORRHAGING (bleeding)

From the Ear - the casualty may be suffering from a fracture of the base of the skull. Therefore -

Do not plug the ear canal.
Let it drain freely.
Place the casualty in the Coma position with the affected ear downwards.
Assess the level of unconsciousness.
Medical aid is urgently required.

From Varicose Veins - Varicose veins occur when valves in the veins fail. Back pressure fills the veins and they become enlarged and tortuous. The most common site is in the legs. If such a vein ruptures severe bleeding will occur.

Place the casualty flat with the leg well raised (this empties the veins).
Remove any constricting bands from the limb.
Apply a clean pad and firmly bandage the site.
Seek medical aid.

Next week more on haemorrhaging (bleeding).

This series of articles is prepared by Brian Evans.

Remember the T.S.A. are prepared to assist in organising a first aid course - if you are interested 'phone 231717.
